

Visa Account Updater Notice of Right to Opt Out

Your card will be automatically enrolled in the free Visa® Account Updater (VAU) service. VAU helps participating merchants who receive recurring payments from your card have access to current card account information on file. For instance, participating merchants will have access to information about changing card expiration dates, or your new card number if you report that your card has been lost or stolen. You are entitled to opt out of this service. You may opt out at any time.

If you want to opt out, phone us at 800-505-7476, email us at support@affcu.org, or mail us notice of your intention to opt out. You can use the opt-out election below. Cut it off and mail it to us at Atlantic Financial Federal Credit Union, 40 Schilling Rd., Hunt Valley, MD 21031. If you opt out, you may opt back in if you decide you want the Visa Account Updater service in the future. You may opt in the same way(s) that you can opt out.

Visa Account Updater Opt Out Notice

I have received a description of the Visa® Account Updater (VAU) service and Notice of my right to opt out of the VAU service. I choose to opt out of the VAU service for my AFFCU Visa® Debit/Credit Card. I understand that I can choose to opt back into the VAU service at a later time.
