AFFCU SMS/TEXT FRAUD ALERTS OPT-OUT

I want to opt-out of receiving SMS Text Fraud Alerts, informing me of suspected fraud on my AFFCU Visa Debit/Credit Card. I understand that by opting out, all debit and credit cards under my membership will be opted out of this service and that I will not receive text messages regarding suspicious activities on the mobile device/phone number provided below. I understand that this does not opt me out of receiving the standard fraud automated phone notifications.
