AFFCU STAFF PACKAGED AND DONATED 150 HYGIENE KITS TO HELPING UP MISSION

Atlantic Financial Federal Credit Union employees used their recent annual training day to put together 150 personal hygiene kits. The kits were donated to the Helping Up Mission in Baltimore. Each kit contained essential hygiene items including: shampoo, soap, toothbrush, toothpaste, shaving cream and razor, deodorant, and more.

Helping Up Mission provides hope to people experiencing homelessness, poverty or addiction by meeting their physical, psychological, social, and spiritual needs. The kits provide a fresh start for those struggling with addiction and homelessness as they enter the mission to begin their recovery. Most individuals enter the

mission with only the clothes on their back. These kits are one of the first possessions that they will receive to help start their journey to recovery.
